Hi.

Now that the white paper is in, will you guys have someone reach out to Graber to see if he or his designee would be able to attend the July 26 meeting? If not, we should determine if we still want to hold the meeting; probably wouldn't hurt.

Jim and Doug,
Attached are the options that we evaluated for discharging treated groundwater. I will be in all week if you would like to discuss/comments prior to our meeting on July 26th.

Lora
